**LICENSING CONDITIONS AND TERMS**

Permits for use of any fire hydrant within the City of Ammon are granted only after inspection and approval of the use and/or filling device, which must include an air gap. The fee is charged per calendar month and can be paid monthly or in advance for a season. Unauthorized use of a fire hydrant within the City limits is a violation of Ammon City Code 8-3-40 and subject to all penalties of a misdemeanor as allowed by section 1-4-1 of the Ammon City Code. Failure to display the necessary permit, provided by the City of Ammon, may result in the revocation of this permit. No pro-ration of a permit is allowed.

BY SIGNING BELOW THE APPLICANT AFFIRMS THAT: The applicant understands the terms of this permit and that violations of this agreement may result in the revocation of the permit.
