## CITY OF AMMON COMPREHENSIVE & STRATEGIC PLAN UPDATE

### Vision 2040

Ammon, Idaho, September 13, 2017– The City of Ammon is working with JFoster & Associates to update the Comprehensive and Strategic Plans.

The Comprehensive Plan will address infrastructure, business and economic development, technology, public facilities and safety, recreational facilities and opportunities, current and future land use, natural resources, transportation, housing and the Strategic Plan for the City. The purpose of the Comprehensive Plan is to establish a community vision, set priorities and guide future decision making.
